

KENDRIYA VIDYALAYA KOLLAM

BEST PRACTICES FOLLWOED

Academic Excellence

- Identification of low – achievers in the beginning of the academic session to enhance the performance of students
- Bright learners are assigned the duty to assist the low- achievers
- Academic committee meetings are held regularly to review the practices adopted and to evolve new & innovative techniques as listed below
 - Adequate use of smart class and other technological aids to make learning interesting
 - Concepts made clear through repeated practice.
 - Solving a number of previous years QP from many regions
 - Remedial classes are conducted in light periods and after the school hours.

Co-Scholastic Areas

- Students are given ample opportunities to display their inherent talent by organizing all the celebrations and programmes and observance of important days recommended by KVS and the Government of India.

Value Education

- A Charity club is incepted in the vidyalaya to inculcate the values of Kindness, compassion and empathy in the students and also to sensitize them about the ethical duty to care for the needy in the society.
- Counselling programmes are arranged regularly to help the students tackle problems such as peer pressure academic stress, exam fear, adolescent problems and also to instil moral values in them.
